Dear Sir:

In response to the Notice of Non-Compliant Amendment mailed September 19, 2007, please consider the following remarks. The Notice indicated that the Amendment “G” response was non-compliant since the amended claims did not include revision marking. The only claims pending are Claims 11-14, which are newly added in Amendment “G”, and thus no revision marking is necessary. The prior submitted Amendment “G” incorrectly stated that the Claims 11-14 were “currently amended” whereas their actually status is “new”. That improper designation may have caused the confusion. For the Examiners’ convenience, attached herewith is a copy of Amendment “G” with the status of Claims 11-14 indicated correctly as “new”. Since the only pending claims are new claims, the applicant submits that no revision marking is required.
